Hear Through the Noise

Beltone Commence hearing aids use our innovative technology to adapt to your environment and provide greater speech understanding in noise, so you can hear more clearly in challenging listening situations and join conversations with confidence.

Experience All-Day Power and Comfort

Beltone Commence hearing aids are available in rechargeable and replaceable battery-powered styles. Their small size and updated, streamlined designs ensure you can wear them comfortably all day long. Plus, their weatherproof and sweatproof coating means they're ready for whatever your day holds.

Auracast™: Discover a New World of **Listening Experiences**

Beltone Commence hearing aids are compatible with Auracast broadcast audio, the next generation of assistive listening technology that will help you stay connected to news and entertainment wherever you are. Auracast will offer more ways to stream sound—from public transit stations, televisions, places of worship, public service announcements, and more—directly to your hearing aids.

Introducing **Auracast Assistant**

Simplify your listening experience by using Beltone Commence hearing aids with the *Auracast Assistant* in the **Beltone HearMax**™ app. Connect to Auracast broadcasts instantly with a simple tap, and effortlessly find and enjoy audio streams wherever you go. You can even start and share your own streams with a larger group using the **TV-Streamer+** or **Multi-Mic+**.

Enjoy a **lifetime of care.**

Visit any Beltone office or call 1-800-BELTONE to get the care you need.

Belcare™

Your Hearing Aids **Are Protected**

Your hearing aids represent a long-term investment in your health. When you choose Beltone as your hearing care partner, know that we are committed to protecting your investment.

With Belcare, Beltone's lifetime care program for your hearing aids, you get:

- One-time replacement of lost, stolen or damaged hearing aids in the first year you own them (after deductible; applies to purchases made without insurance only).***
- Complimentary annual hearing screenings.
- Free hearing aid inspections and cleanings.
- Hearing care at any of Beltone's 1,200 hearing care centers across North America.
- Receive more powerful hearing aids at no cost to you if you experience measurable, worsening hearing loss within the first two years after purchase.

The TV-Streamer+ and Multi-Mic+

The TV-Streamer+ connects to your television to stream audio directly to your hearing aids, allowing you to adjust the volume to your preferred level without interfering with the TV speaker volume.

The Multi-Mic+ is a versatile portable microphone that can pick up one or multiple voices and transmit the sound directly to your Beltone Commence hearing aid.

Additionally, the Multi-Mic+ has been named a CES® 2025 Innovation Awards Honoree in the Accessibility & AgeTech category.
