Your First Step Toward Better Hearing **Just Got Easier**

Beltone Commence™ hearing aids combine our best-in-class technology, updated designs, and future-proof connectivity to bring you a powerful solution to hearing loss. Pick up your favorite hobby again, host family gatherings, and enjoy a fun night out—without worrying about your hearing.

Experience award-winning service from one of America's **top-rated hearing care providers.**

My Beltone experience was amazing! I didn't realize all that I was missing out on! Beltone has changed my life! I CAN HEAR! I would strongly recommend Beltone to anyone who is hearing impaired! Thank you Beltone.

Beltone Patient, Johnson City, TN

The audiologist was exceptional. He explained everything in detail from exam, options, and purchasing hearing aids.

Beltone Patient, Burlington, NC

67,000+ 5-star reviews!

Why Choose Beltone?

Beltone is committed to providing the best care as you embark on **your hearing health journey.**

When you work with a Beltone hearing care professional, you get:

- More than 85 years of patient-led service that drives everything we do.
- In-person care at any of the 1,200 Beltone locations across the nation.
- Remote care—anytime, anywhere—using Remote Care Live on the Beltone HearMax app.
- Award-winning technology, apps, and customer service.

Beltone has been consistently recognized for its best-in-class hearing technology and customer service.

Hear Through the Noise

Beltone Commence hearing aids use our innovative technology to adapt to your environment and provide greater speech understanding in noise, so you can hear more clearly in challenging listening situations and join conversations with confidence.

Experience All-Day Power and Comfort

Beltone Commence hearing aids are available in rechargeable and replaceable battery-powered styles. Their small size and updated, streamlined designs ensure you can wear them comfortably all day long. Plus, their weatherproof and sweatproof coating means they're ready for whatever your day holds.

Auracast™: Discover a New World of **Listening Experiences**

Beltone Commence hearing aids are compatible with Auracast broadcast audio, the next generation of assistive listening technology that will help you stay connected to news and entertainment wherever you are. Auracast will offer more ways to stream sound—from public transit stations, televisions, places of worship, public service announcements, and more—directly to your hearing aids.

Introducing **Auracast Assistant**

Simplify your listening experience by using Beltone Commence hearing aids with the *Auracast Assistant* in the **Beltone HearMax™** app. Connect to Auracast broadcasts instantly with a simple tap, and effortlessly find and enjoy audio streams wherever you go. You can even start and share your own streams with a larger group using the **TV-Streamer+** or **Multi-Mic+**.

Visit any Beltone office or call 1-800-BELTONE to get the care you need.

Belcare

Your Hearing Aids Are Protected

Your hearing aids represent a long-term investment in your health. When you choose Beltone as your hearing care partner, know that we are committed to protecting your investment.

With Belcare, Beltone's lifetime care program for your hearing aids, you get:

- One-time replacement of lost, stolen or damaged hearing aids in the first year you own them (after deductible; applies to purchases made without insurance only).***
- Complimentary annual hearing screenings.
- Free hearing aid inspections and cleanings.
- Hearing care at any of Beltone's 1,200 hearing care centers across North America.
- Receive more powerful hearing aids at no cost to you if you experience measurable, worsening hearing loss within the first two years after purchase.

 AURACAST

Enhance your everyday hearing experience with Auracast accessories.

The TV-Streamer+ and Multi-Mic+

The TV-Streamer+ connects to your television to stream audio directly to your hearing aids, allowing you to adjust the volume to your preferred level without interfering with the TV speaker volume.

The Multi-Mic+ is a versatile portable microphone that can pick up one or multiple voices and transmit the sound directly to your Beltone Commence hearing aid.

Additionally, the Multi-Mic+ has been named a CES® 2025 Innovation Awards Honoree in the Accessibility & AgeTech category.

With the Beltone HearMax app, you can easily:

- Use Auracast Assistant to connect to audio streams.
- Enable extra support for extremely noisy situations.
- Use Find My Hearing Aids.
- Use Check My Fit.
- Switch programs and control volume.
- Use *Remote Care Live* for virtual appointments.

You're in Control

Scan the QR code below to download the Beltone HearMax app to your smartphone and take control of your hearing aids. You can discreetly make changes, adjust settings, and use the *Find My Hearing Aids* feature to locate your hearing aids when they're not where you left them.

Scan to download the Beltone HearMax app

Download the Beltone HearMax app and use *Check My Fit* to be confident you're wearing your new hearing aids correctly.

- The Check My Fit feature acts as a mirror to show your current fit.
- Compare your current fit side-by-side with an image of the correct fit.
- A correct fit ensures you enjoy the best comfort and sound quality every day.

Choose From a Diverse Selection of Colors

Complement your hair color or skin tone—or create a striking contrast—with our matte and shimmering color finishes. The choice is yours.

miniRIE

These small, rechargeable hearing aids are curved to rest low on your ears for a discreet and comfortable fit. Compatible with Auracast, Beltone Commence miniRIE hearing aids offer quick and easy streaming solutions and let you take hands-free calls* from compatible mobile devices.

Receiver-in-Ear (RIE)

Smaller than our past RIEs with a new, streamlined design, this style works with your unique ear shape to collect sound naturally and deliver an exceptional hearing experience. They are weatherproof and sweatproof and provide all-day comfort and high-quality sound you can always count on. Plus, take hands-free calls from compatible mobile devices. These hearing aids use replaceable batteries.

Learn How to Use **Your** **Hearing Aids**

Beltone is here to help you fall in love with your new hearing aids.

Take part in Beltone's award-winning **Great Start** program to get familiar with your new hearing aids and discover all they have to offer.**

We'll send you tips and tricks to help you get off to a confident start.

- Easy, step-by-step orientation program.
- Each session explains an aspect of using your hearing aids.
- Video tips show what you need to know about your new hearing aids.
