Introducing Oticon Zeal™

UNSEEN STYLE

When it comes to leading the life you want, you can't let anything hold you back, including hearing loss.

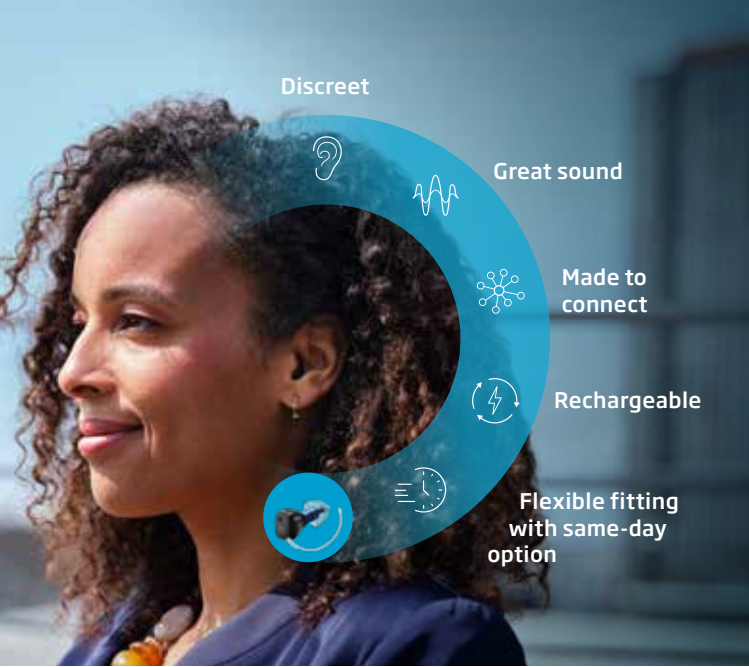

What if you could try a hearing aid that's made to go unnoticed? One that combines discreet design with amazing sound. That keeps you connected all day to the people, places, and devices you love. That's easily rechargeable. That conveniently fits your life. One that can do it all.

Now, nothing needs to stop you

There's finally a hearing aid made to get you back into life. Oticon Zeal will change the way you think about hearing aids. It has everything you are looking for in a discreet size.

Made to fit your style

Whether you wear glasses, a hat, or even a helmet, Oticon Zeal sits discreetly, securely, and comfortably in place so you can feel confident all day.

The woman on the right has curly dark hair, is wearing a dark blue top and a beaded necklace, and is smiling broadly. The background is a blurred outdoor setting with a brick wall.

All they'll see is you

Oticon
BrainHearing™
Technology

Your friends and loved ones will notice a difference, but it won't be because they can see your hearing aid. Oticon Zeal is so discreet, all they'll notice is you - hearing what they have to say without missing a beat.

Hear the world in beautiful balance

Be the life of the party. Engage in the conversation. Enjoy the sounds you love. Better hearing isn't just about volume - it's about clarity, balance, and opening up your world.

You hear with your brain, not just your ears

Oticon Zeal uses advanced technology to support your brain's natural sound processing. It gives you access to all relevant sounds, keeping you connected to the beautiful and important sounds that matter in your life.

Great sound all day

The artificial intelligence in Oticon Zeal is always on, supporting you every minute of every day.

Clarity and awareness

Enjoy clear, comfortable conversations without giving up awareness of sounds around you.

Confidence anywhere

Proven to give you superior speech clarity, even when you're in a noisy place.*

Unseen power and connection

Choosing to get a hearing aid can be a big decision. With Oticon Zeal, you get a solution made to blend in seamlessly with your lifestyle, personalized to your exact needs.

Stay connected to what matters most

Your devices, your music, your people, your places. Enjoy all the richness of your digital world as you stream calls, meetings, music, and more right from your phone, Apple Watch®, TV, PC, or tablet.

Enjoy the latest audio experiences

With new Auracast™ broadcast technology, you can hear announcements or shows in public venues, opening up even more ways to connect wherever you go.

*Expected use time for rechargeable battery depends on use pattern, active feature set, hearing loss, sound environment, battery age, and use of wireless accessories.
