ReSound GN

GN Making Life Sound Better

Introducing

ReSound LiNX Quattro™

Our newest premium hearing aid is beyond compare with richer sound quality, unrivalled full spectrum of streaming, support and personalization from anywhere with ReSound Assist, and the world's most advanced rechargeable solution in one product.

Right down to the finer details, ReSound LiNX Quattro offers you a brilliant experience with layers of sound - and inspires confidence in the moments that matter most to you.

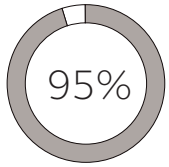
Brilliant sound experience

CLEARER SPEECH

Built on years of innovation, we continue to pioneer hearing aid technology that helps people hear better in their everyday lives. Our unique solution makes it easier for you to pick up speech and sounds from different directions in your environment. From the bustling street to the quiet theatre, you can focus on the conversation and still hear the sounds around you.

FULLER SOUNDS

There are now virtually no limits to your sound experience with ReSound LiNX Quattro, and you can hear it in the finer details. Both low and high-pitched sounds are natural and fuller. Quiet situations are truly quiet and louder sounds are comfortable, crisp and distortion-free. Sounds such as the call of birds to the laughter of children and the notes in the music, are now more accessible and enjoyable.



ReSound LiNX Quattro is preferred 95% of the time for music listening, compared to other premium hearing aids.

Unrivalled full spectrum of streaming

MORE LAYERS OF SOUND, ACTION AND RHYTHM

When you answer the phone on the train to work, you can follow the conversation. As you watch television at home, you pick up more of the action. And when you drive through the city, you hear real-time navigational instructions. ReSound LiNX Quattro provides you with an exceptional streaming experience from virtually any audio source. And with clearer, fuller and richer sounds, you can enjoy the finer details of speech, notes and tones – all streamed directly to your hearing aids.

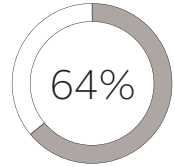
BE CONFIDENT ON THE PHONE

Now you can easily pick up phone calls with more clarity. Research shows that on average, you can understand an additional 50% of the conversation when streaming directly to your hearing aids, compared to a regular phone call.



When streaming directly from an iPhone, listeners preferred the sound quality with ReSound LiNX Quattro at least 64% of the time.

MORE ACTION ON TV

Hear the news, watch movies and hear the soundtrack with improved clarity at your own volume – while the rest of your family listens at theirs.

ReSound Assist

Support and personalization from anywhere

MORE EXCLUSIVE HEARING CARE

ReSound Assist is revolutionizing the way you receive hearing care. At home, at work or on vacation, ReSound Assist allows you to send requests from your ReSound Smart 3D™ app for fine-tuning, adjustments and updates – and get updated settings straight from your hearing care professional.

MORE SUPPORT EVERY STEP OF THE WAY

After you have tried out your updated settings, you can easily send a satisfaction rating back to your hearing care professional. That way, the support continues and your hearing care professional can ensure you are satisfied with the new improvements.

World's most advanced rechargeable solution

ReSound LiNX Quattro now introduces the most advanced rechargeable hearing aid – with a lithium ion battery that is completely sealed for protection. With it's small, discreet size and long-lasting battery, you get power that lasts more than a full day – without having to fiddle with any batteries. At night, simply place your hearing aids in the inductive, easy-to-use charging case to prepare for the next day. From morning to night, you can enjoy the confidence of a complete rechargeable solution.

FULL CONFIDENCE WITH A COMPLETE RECHARGE

Enjoy 24 hours of battery life – even when streaming television, music or other audio half of the time.

REFRESH WITH A QUICK RECHARGE

If you're on-the-go, traveling or if you forget to recharge overnight, you can still access quick and long-lasting power throughout your day.

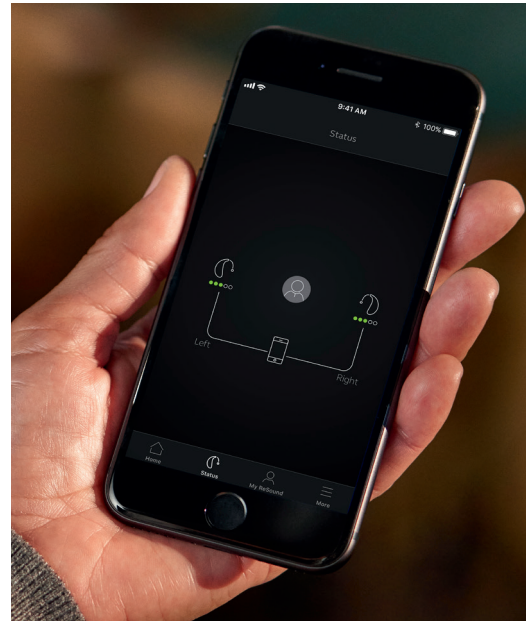
The freedom to recharge anywhere

SLEEK AND FUNCTIONAL CHARGING CASE

Slipped easily into a suitcase or travel bag, the smallest premium charging case on the market keeps your hearing aids safe and powered – wherever you go.

Inductive charging pods make it secure and easy to place your hearing aids in the case for discreet and convenient charging. Besides being able to monitor the battery status on the ReSound Smart 3D app, clear LED flashing lights on the hearing aid let you know that charging has begun. The case's built-in battery holds three full charges, and LED lights on the case indicate the power status of both the case and your hearing aids.



Two low power consuming options

The same clearer, fuller and richer sound is available in two discreet hearing aid models. In addition to the small and long-lasting rechargeable solution, ReSound LiNX Quattro also offers a replaceable battery solution with a standard zinc hearing aid battery. With low power consumption and high-level performance, you can enjoy the serenity of nature or bustle of the city with complete confidence.
