Discover the perfect blend of comfort, stylish design, and innovative technology with Signia.

Bluetooth[®] Connectivity Transformed

Connect your way

It's the perfect choice for unmatched hearing clarity and seamless connectivity.

 **Bluetooth[®]**

Why choose the BCT IX?

- **Stay connected** on the go and answer/end **HandsFree** calls directly from your hearing aid.
- With an unprecedented **36 hours of battery life**, including **5 hours of streaming**, you have the freedom to go about your day.
- The **smallest Bluetooth Classic-compatible RIC*** hearing aid features a lightweight, sleek design that even the most discerning wearers will appreciate.
- The **new LED light** instantly shows your hearing aids' power status.
- **Dual push buttons** allow quick volume and program adjustments on the go.

The new Signia Pure Charge&Go BCT IX keeps you confidently connected to the conversation

Powered by the Signia IX platform, the groundbreaking RealTime Conversation Enhancement delivers **22% better speech understanding** in noisy group conversations than leading competitors.¹ So you can contribute to the conversation, no matter how busy it gets.

About Signia

Signia is one of the leading hearing aid brands in the world. Our goal is to enhance human performance through iconic innovations that shape the prescription audio category. We refuse to accept hearing loss as a limitation. It's not about correcting a loss, it's about gaining an edge. Not just performing, performing brilliantly. Not just hearing again, but hearing better than ever. Hearing every word, beat, and breath. With Signia, you can Be Brilliant.
