

Join the conversation

Styletto IX keeps the conversation flowing without compromising on style. Available in various colours, this sleek hearing aid is the refined choice for better hearing. Contribute to the conversation in style with Styletto IX.

About Signia

Signia is one of the leading hearing aid brands in the world. Our goal is to enhance human performance through iconic innovations that shape the prescription audio category. We refuse to accept hearing loss as a limitation. It's not about correcting a loss, it's about gaining an edge. Not just performing, performing brilliantly. Not just hearing again, but hearing better than ever. Hearing every word, beat, and breath. With Signia, you can Be Brilliant.

The information in this document contains general descriptions of the technical options available, which do not always have to be present in individual cases and are subject to change without prior notice.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by WSAUD A/S is under license. Other trademarks and trade names are those of their respective owners.

Where style meets seamless conversation

Sleek, sophisticated, and available in various distinctive colours, Styletto hearing aids blend superior IX technology with style. Enjoy great hearing, a great look, and the added convenience of recharging on-the-go.

Stay connected on-the-go with our compact, wireless Styletto Charger and charging case – delivering up to five full charges before needing to be recharged.

6 Reasons to choose Styletto IX

- **Natural, effortless conversations:** RealTime Conversation Enhancement adapts to busy group conversations in real time for a revolutionary hearing experience.
- **Sleek and comfortable:** Ultra-slim design that's easy to wear, even with glasses.
- **Choose your colour:** Select from seven distinctive colour options.
- **Future-ready connectivity:** Equipped for the latest Bluetooth LE Audio standard*.
- **All-day power:** Long-lasting rechargeable battery with convenient wireless charging.
- **Personalised hearing:** Customise settings easily through a user-friendly app.

* Future firmware update required

Don't just hear the conversation... be part of it

With Styletto's Integrated Xperience technology, every conversation becomes a masterpiece that you not just observe, but actively co-create.

When you wear Styletto IX hearing aids, you are not just an bystander. You are an integral part of life's interactions.

Signia IX excels in enhancing speech within a noisy group conversation scenario, outperforming four top competitors.*
